Cuisine

km.0

Our Restaurant, Converso, which offers 'slow food' cuisine, based on traditional and modern dishes, prepared with high-quality produce from the local area.

Discover our Mice [menus](#)

From garden to plate

The hotel has its own vegetable garden which, since 2022, has been managed by the famous vegetable gardener, Luis San José, an expert in the cultivation of asparagus from Tudela de Duero.

Michelin Star chef

As of January 2022, Miguel Ángel de la Cruz is the head chef in our kitchen. Known as 'Castile and León's best chef', his career has been recognised with two Repsol Suns, a Michelin Star and a Green Michelin Star.

Converso wine

Our wine, the result of a carefully selected vintage, with character and exclusivity in all its nuances. It won the Grand Gold Medal in the Concours Mondial Bruxelles 2021 and the Silver Bacchus in the XIX International Bacchus Wine Competition.

Waters and Tantum

Treatments

Enjoy a contrast therapy circuit in a replica of the Monastery's San Pedro chapel. Feel the temperature shock in the outdoor heated pool. Heal your body and soul with our waters that come from the San Bernardo Spring, used by the original Valbuena monks.

Centuries and centuries of experience confirm that the water from the San Bernardo Spring has benefits both for people as well as for the fields and their fruits.

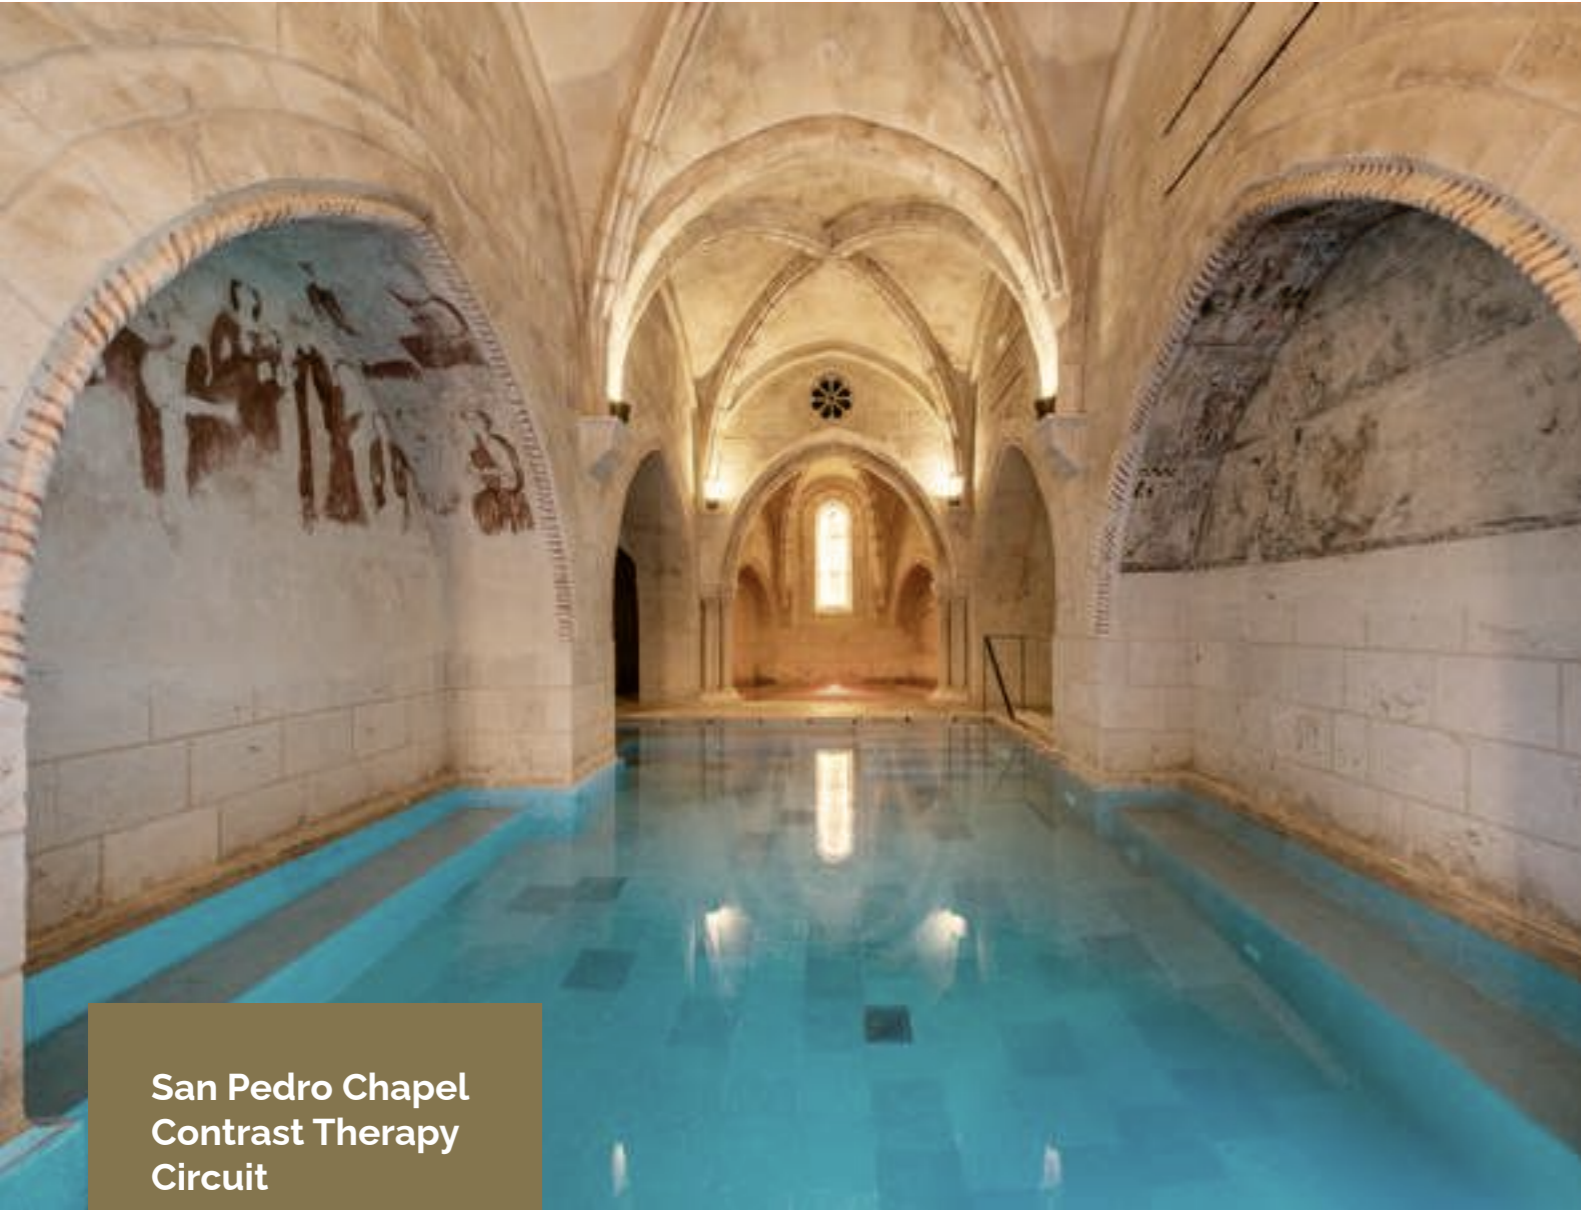

Unforgettable * *experiences*

Sacred art restoration workshop

*All our experiences, both in the monastery and around it, must be booked in advance and are subject to availability. Do not hesitate to get in touch with our team.
