Finca Dehesa de Los Canónigos and Castilla Termal Monasterio de Valbuena come together to offer you the best possible combination: stand-out luxury cuisine served in an exclusive location with personality and style, all on one of the most beautiful estates in Valladolid. We offer the

experience, creativity and advice of two of the sector's leading companies to help you create the wedding of your dreams. There will be nothing left for you to do except relax and enjoy your special day.

Dehesa de los Canónigos

Dehesa de los Canónigos is a historic winery located in the Duero Valley, just 6 km from Castilla Termal Monasterio de Valbuena, in the so-called 'Golden Mile' of Ribera del Duero.

The estate extends over an area of 500 hectares, of which 60 hectares are vineyards. It was the first estate to plant vines during the repopulation of the Duero in the 18th century, with vines from Napa Valley in California used as rootstock and grafted with vines imported from France by Toribio de Lecanda.

The estate comprises an old, grand house with various indoor and outdoor spaces, complete with extensive gardens and beautiful fountains. The winery stands out for its unique architecture, made up of restored paneas, over 200 years old.

Behind the winery is a dense Mediterranean pine forest extending to the banks of the Duero River. All these spaces and details guarantee an idyllic setting for your special day.

The versatility of both the indoor and outdoor spaces we offer ensure an unforgettable backdrop for your wedding, from the barrel hall to a host of other magical settings.
